## WELCOME TO AMERICAN ENVIRONMENTAL SPECIALISTS

American Environmental Specialists, Inc. (AES) is a professional environmental consulting firm, offering cost-effective and practical solutions for improving indoor air quality, soil/water contamination and other environmental issues. AES provides mold, asbestos, lead, and other hazardous materials inspections and testing, and offers expertise in Phase 1 and Phase 2 environmental site assessments. With AES, you gain a partner who will provide the tools necessary to make reasonable, informed business decisions to mitigate property damage. AES understands the accompanying liability involved, as well as the sensitivity of environmental issues in residential and commercial real estate.

*We specialize in:*

- Microbial Contamination
- Indoor Air Quality
- Asbestos
- Lead-Based Paint
- Environmental Site Assessments
- Soil/Water Contamination
- Hazardous Waste

AES is a trusted environmental consulting firm, recommended by insurance adjusters, attorneys, remediation contractors, architectural/engineering firms, lending institutions, realtors and landlord associations. At AES, we offer more than advice about your environmental problems, we provide our clients with clearly stated options, as well as technical specifications for remediation of hazardous materials, when necessary. Our team of experts will fix the problem by focusing on practical, cost-effective solutions.

Let us put our experience to work for you!
